PROCEEDINGS

Dated 7th June 1901

No. 1283-4
Muz.F. 17-97

Sanctioning the Palace Controller's recommendation to feed a limited number of students of the Mysore Sanskrit College in His Highness the Maharaja's Chattram at Mysore.

SBP—13-6-1901—200

READ—

Government Proceedings No. 716-7—Muz. F. 51-93, dated 30th December 1899, conveying orders in the matter of regulating the expenditure in His Highness the Maharaja's Chattram at Mysore.

AND—Correspondence ending with letter No. 55, dated 18th April 1901, from the Palace Controller, Mysore, regarding the feeding of a limited number of Sanskrit students in the Chattram at Mysore.

No. 1283-4—MUZ. F. 17-97, DATED (CAMP) MYSORE, 7TH JUNE 1901.

ORDER THEREON—It appears from the correspondence read above that a certain number of very poor and deserving Sanskrit students were formerly being fed in the chattram at Mysore and that the practice was discontinued in consequence of the direction contained in Proceedings No. 716-7—Muz. F. 51-93, dated 30th December 1899, to the effect that the feeding in the Chattram should be strictly confined to *bonâ fide* travellers.

2. The Palace Controller now reports that the prohibition has caused much hardship to a number of really poor and helpless Sanskrit students, and he therefore recommends that sanction may be accorded to feed as before, a limited number of Sanskrit school-going students not exceeding 30 in number in His Highness the Maharaja's Chattram. The Palace Controller also promises that he will make arrangements to feed these students in the Chattram without exceeding the sanctioned allotment of Rs. 500 provided for feeding travellers and without any inconvenience to *bonâ fide* travellers.

3. Under these circumstances, the Government are pleased to sanction the Palace Controller's recommendation, on the understanding that the concession is allowed to only such students of the Maharaja's Sanskrit College as have no permanent home in the Mysore City and have no means of subsistence while there, and subject to the condition that the Government grant of Rs. 500 per mensem, made for the feeding of travellers, is not exceeded. A list of the students selected from time to time, for the concession, with particulars as to the circumstances relating to each, should be submitted to this office.

4. The Palace Controller is also requested to report in consultation with the Committee of the Sanskrit College whether the scholarships, if any, held by the students selected for being fed in the Chattram may be withheld, in whole or in part, and placed at the credit of the Chattram, and if so, what the amount thereof will be.

11 Read petition of Pandit Lakshmi Jâtâchâr of Melkote praying for the continuance for 2 years more of the monthly scholarship of Rs 15 awarded to him as per Government Proceedings N° 915 / 725-92, dated 20th February 1900

Resolution :— A monthly scholarship of Rs 15 was granted to Pandit Lakshmi Jâtâchâr for prosecuting his studies in Tarka and Kindred subjects at the Calcutta Sanskrit College with a view to prepare himself for the "Sanskrit Titles" Examination held by the Bengal Education Department in Connection with the College. The scholarship was availed of by him only for four months, within which he has passed the tests prescribed. The Student now proposes to study Vedânta at Melkôte and prepare himself for the Calcutta Sanskrit Titles Examination in Vedânta. Under the circumstances detailed in the petition read above, the Committee resolve to recommend that the monthly scholarship of Rs 15

may be continued to him for 20 months more, being the unexpired portion of the period already sanctioned by the Government, on the Condition that he makes satisfactory progress, which will be tested at the periodical examinations held in the Maharaja's Sanskrit College from time to time.

III. Resolved that, from the 3rd July 1901 forward, the work of daily supervision of the College be divided among the members of the Managing Committee as follows:-

1) The Secretary:— To check the attendance of the teachers and to supervise the studies; from 7 to 8 A.M.

2). Dharmâdhikâris:— one of the Dharmâdhikâris will by turn, each for a period of 40 days, supervise the work of teachers between 8 and 11, Dharmadhikari Chakravarti Ayangar's turn Commencing with the 3rd July 1901.

Sabha to the Dewan

Resolution I.

In Ro 1283-4 / Mug 7.17-97 dated 7th June 1901, Govt sanctioned the feeding of the poor students of the Maharaja's Sanskrit College only. The Committee want the concession to be extended to other recognized Sanskrit schools in Mysore City. No information is given as to how far effect has been given to the orders of Govt, how many students have been selected, and how the feeding grant of the Chatram has been affected thereby. If the feeding grant can afford to feed more students after fulfilling the requirements of the Sanskrit College, and of bona fide travellers, there will, I believe, be no objection to allow other Sanskrit schools the benefit of the concession.

The Committee say that

they are in a position to
"decide best as to the students
"most deserving of the charity"
The Govt did not deny this.
They only wanted information as
to the persons selected, their
circumstances in life and
so on. Such information has
not been given.

Similarly, the Committee
wish to have the power to
continue, withhold or reduce
the scholarships granted to
students selected for reading
in the Chatsam. No details
are given as to the action
proposed to be taken.

Has the honor to Commu-
nicate the following orders
of Government on the above,

Resolution.

With reference to the
paras 3 and 4 of the Pro
read above, the Committee
are of opinion that the

order.

The Government order of

confines the Concession
of feeding in the Chattram

students who are to be fed at the Chattram may be selected out of the really poor and helpless Sanskrit students in Mysore, whether they study in the Maharajas Sanskrit College or some other recognized Sanskrit School in the city; and that it may be left to the Committee to continue withhold or reduce the scholarships granted to such students. The Committee beg to observe that they are in a position to decide best as to the students most deserving of this charity.

to students selected for this purpose from the Maharajas Sanskrit College only, and Govt are not at present prepared to sanction a departure from the terms of that order. No question arises as to the competency of the Committee to decide as to the students most deserving of this charity as Govt have, in para 3 of their Proceedings cited above, left such selection to them, but the range of selection must be from the Maharajas Sanskrit College, as already directed.

2 As regards the withholding or reducing of the Scholarships held by students -

~~admitted~~ admitted to free feeding in the Chattram, attention is invited to para 4 of the Proceedings referred to above, and the report called for therein is awaited with the view of ascertaining the financial result of any proposals which the Committee may make on the subject.

3 The Proceedings of the Committee now under disposal do not show how far effect has been given to the instructions of Govt contained in the order of the 7th June 1901 referred to above. It is therefore requested that the list called for in the paragraph

of that order as to the students of H. H. the Maharaja's Sanskrit College selected for being fed in the Chattram together with information as to how the expenditure is affected thereby, may be submitted at a very early date.

Resolution II

Recommending the grant of a special Scholarship of Rs 15 a month to Pandit Lakshmi Tatacharya of Melkote to enable him to study for the Calcutta Titles Examination in Vedanta.

It is requested that information as to the Subjects prescribed for the Vedanta Examination and the course of its study and the period required therefor may be furnished, to enable Government to pass orders in this matter.

Resolution III.

Proposing the distribution of the work of daily supervision of the College among the Committee.
